

# CERTIFICATE

## OF VERIFICATION

To Whom It May Concern,

Youwipe hereby guarantees providing an outstanding product performance for a complete hard disk data erasure and related functions. By using Youwipe, within the scope of our partnership, **Conversation Over Borders**, can assure their customers and users, that all data from the treated data carrying devices is completely erased (provided with our “successful” data erasure report certificate), and cannot be recovered by any current technology.

Youwipe has been certified and approved by [NATO](#), the [Common Criteria](#), [TÜV Saarland](#), [ADISA](#), as well as European governments ([UK](#), [Dutch](#), [Finnish](#), [Norwegian](#)) to meet the highest security standard requirements for secure data erasure of SSD, HDD, Flash, Android and iOS devices.

Furthermore, Youwipe meets and exceeds the following regulations and industry standards, such as the **EU GDPR**, **NIST**, **ISO 27001**, **ISO 9001**, **PCI DSS**, **Sarbanes-Oxley Act**, **HIPAA**, **FACTA**, and the **Data Protection Act**.

Furthermore, within scope of our new cooperation, **Conversation Over Borders**, is appointed as a preferred partner towards performing onsite wipe at customer location.
